Children Cry for Fletcher's

CASTORIA

The Kind You Have Always Bought, and which has been in use for over 30 years, has borne the signature of and has been made under his personal supervision since its infancy. Allow no one to deceive you in this. All Counterfeits, Imitations and "Just-as-good" are but Experiments that trifle with and endanger the health of Infants and Children—Experience against Experiment.

What is CASTORIA

Castoria is a harmless substitute for Castor Oil, Pare goric, Drops and Scothing Syrups. It is pleasant. It contains neither Opium, Morphine nor other Narcotic substance. Its age is its guarantee. It destroys Worms and allays Feverishness. For more than thirty years it has been in constant use for the relief of Constipation, Flatulency, Wind Colic, all Teething Troubles and Diarrhea. It regulates the Stomach and Bowels, assimilates the Food, giving healthy and natural sleep. The Children's Panacca—The Mother's Friend.

Premier Explained in 1905 Why He Thought No Foe Could Reach England.

DEFENSE STRONGER NOW

Lord Roberts Said the Smallest Possible Army to Undertake It Would Be 70,000 Men.

When the German arships on Wednesday appeared off Scarborough, Hartlepool, and Whithy they stayed before none of them more than half an hour. In that they fulfilled the condition on which Arthur James Balfour, when prime minister of England, built his statement to the House of Commons that, with the British mays at anything like the strength in torpedo craft and submarines which it has attained, an invasion of England was impossible. He made this announcement on May II, 1905, in a speech in which he described the work of the committee of imperial defense and the conclusions at which it had arrived with regard to some of the most vital military questions.

"If home defense," said Mr. Balfour, "felicated by Chief Diggs struck the Italian with a shovel.

Frederick Thomas, alias Thornton Hall, colored, pleaded guilty in Police Court on December 30. Representative-elect John R. K. Berres manufacent monument, but it rests on feet of clay." Then he went on to say that the question of the invasion of England had been an open one since the days of Elizabeth, Two hundred and thirty-four realwhich Arthur James Balfour, when

open one since the days of Elizabeth, that the soldiers had always said it was possible, that the sailors said it was im-possible, and that Napoleon had believed that he could accompilan it, but that Nelson had known he never would. To make his deductions impressive, Mr. Balfour assumed the worst possible state of affairs. He assumed that England should find herself as denuded of troops as she was for a few days at the worst
